

Sheryl's RESORT GUIDE

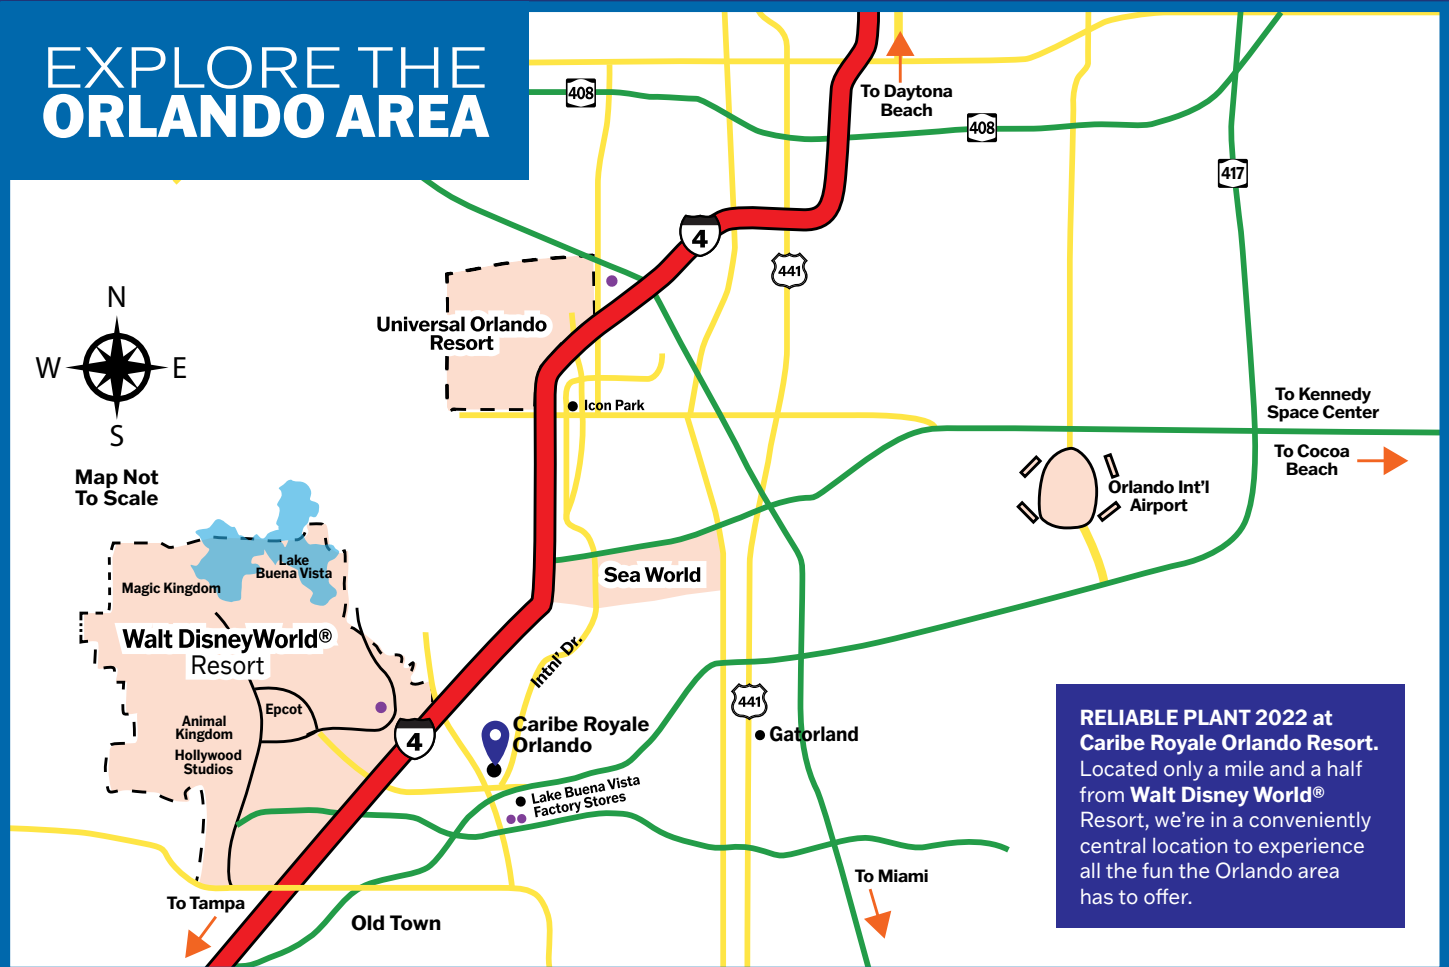

Hi, I'm Sheryl, Reliable Plant's Event Coordinator. I work behind the scenes to create the conference schedule, arrange the venue, and, most of all, make sure you have a great time! I created this guide to help you make the most of your conference experience and enjoy all Orlando has to offer while you're here.

Make it a Family Trip

The more the merrier! Bring your family along to enjoy paradise at the Caribe Royale Resort. The standard one-bedroom suite has two queen size beds and a connecting living room with a full-size sleeper sofa, accommodating up to 6 people. The room rate at the all-suite resort is \$189 and is available 3 days prior and 3 days post the event so you can enjoy the resort amenities including pool, bike rentals, and tennis courts, or visit Orlando's impressive list of parks and attractions before the Reliable Plant action begins.

SHERYL'S PICKS

As a former Orlando resident and **Walt Disney World®** Resort Cast Member, I've learned the best places to chow down, relax, and explore during my time in the Sunshine State. Enjoy these insider tips!

Favorite Resort Restaurant: Calypso's Pool Bar & Grille

Fun, laid back pool-side restaurant with indoor or patio seating. Various foods such as quesadillas, hamburgers, sandwiches, wings, chips and salsa, tuna bowls, chicken tenders, and a children's menu! Great big bar with mixed drinks, beer, and frozen drinks (the strawberry margarita was delish!). The quesadillas and burgers were a hit!

Favorite Off-Site Dining: Disney Springs®

There are many (many!) places to eat at *Disney Springs®*, which is the huge dining, shopping, and entertainment center at **Walt Disney World®** Resort. You can get nearly every type of food imaginable from Asian fusion to fish and chips to burgers and fries. With free admission, you can come back every night to try it all!

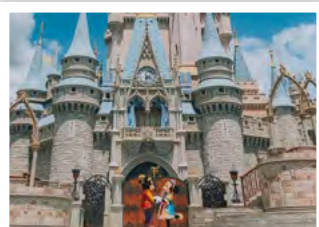

Favorite Activity: Kennedy Space Center

The Kennedy Space Center tour is my favorite activity. You'll see a real shuttle (Shuttle Atlantis) suspended from the ceiling so you can see how big it really is (and how small the astronauts' living quarters are!). You get to experience life as they did in outer space from take-off to re-entering earth's orbit. It's such an incredible park with history, simulators, a play area for kids, views of launch pads and the building where they make the shuttles. You can also touch a real piece of the moon! Discounted tickets available when you register through the Reliable Plant conference.

Walt Disney World® Resort Tips (from a former Cast Member!)

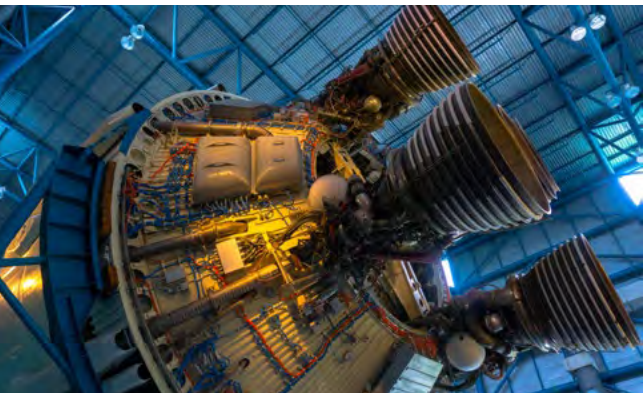

- Get there early to get as much done as you can.
- You **HAVE** to have a park reservation to go along with your purchased ticket. Be sure to have **BOTH**!
- Lines will be long, but there are usually fan or spritzers stationed throughout the line to cool folks down.
- You can do most parks in one day, but **Magic Kingdom®** really needs two days to take it all in.
- It will usually rain at 3:00 p.m. for 20 minutes or so and then go back to being beautiful.
- Download the MyDisneyExperience mobile app and use *Disney Genie®* to get the most of your visit.
- Skip the lines! Ordering food on the app is faster.
